

AECOM IN IRELAND

Our Commitment

AECOM teams across Ireland undertook a range of activities and raised money for charities in their communities. Examples of these activities are summarised below.

Rally for Haiti

AECOM supported former championship rally driver Ronnie Foreman as he travelled across ROI and NI on a charity road trip. AECOM teams in Dublin, Belfast, Galway, Limerick and Cork welcomed Ronnie as he arrived in the towns and cities on his Rally for Haiti, to increase awareness and support for the people.

Mizen to Malin 2017 Charity Cycle:

- 380 miles (612km)
- 11 counties
- 3 brave (crazy) cyclists (Gary Benson, Andy Patterson and Andrew Kirk)
- 2 days
- 1 epic adventure

Fundraising in aid of Perinatal Trust Fund NI (Royal Jubilee Maternity Unit and TinyLife).

Beechill Pretty Muddy team

A team of women from our Belfast office took part in the Pretty Muddy 5K in aid of Cancer Research. The team braved the mud and tackled all the obstacles put in their path, all with a smile! To raise funds, the team hosted several coffee mornings, serving up sausage baps, homemade scones and tray bakes.

Sustrans' Active Challenge

AECOM took part in Sustrans' interactive employee competition for cycling and walking which encourages people, groups and organisations to increase their cycling and walking journeys and submitting details online with the chance to win prizes.

We have won this competition for three years in a row with the survey results showing we saved 1,063kg in carbon emissions compared with making the same journeys by car. By being more active, our participants lost a total of almost 233,700 calories — the same as 927 doughnuts!

Dragon on the Docks

In August 2017 AECOM took part in the inaugural Dragon on the Docks charity boat race event held at Grand Canal Dock, Dublin. Over 720 competitors from over 60 companies from Ireland's leading property, financial, and legal sectors battled it out.

Seventy five per cent of money raised went to the Dublin Simon Community, with the balance distributed to local charities in the Grand Canal Dock area.

About AECOM

AECOM is built to deliver a better world. We design, build, finance and operate infrastructure assets for governments, businesses and organizations in more than 150 countries. As a fully integrated firm, we connect knowledge and experience across our global network of experts to help clients solve their most complex challenges. From high-performance buildings and infrastructure, to resilient communities and environments, to stable and secure nations, our work is transformative, differentiated and vital. A Fortune 500 firm, AECOM had revenue of approximately \$18.2 billion during fiscal year 2017. See how we deliver what others can only imagine at aecom.com and [@AECOM](https://twitter.com/AECOM).
